SWO7600 Fusion Range

The **static SWO7600** offers all the cost effective and environmental features & benefits of the SW6100 but with the added feature of a spacious office.

Groundhog SWO7600 (with office)

If you require secure welfare and office space then the SWO7600 is an ideal static unit. Along with the SW6100, it meets HSE & CDM requirements, offers anti-vandal features which include a steel personnel double locking door systems and internally secured steel window shutters, providing all your on-site needs in one compact, cost effective package.

The units are suitable for accommodating eight people, which provides pleasant and safe working environments, ideal for rental companies and contractors.

Once lifted into position, they provide a vandal resistant facility and can come with a number of additional money saving features.

- > Warm water supplied by an on-board heating system
- > Air blown heating system
- > Comfortably sits up to 8 people
- > Low level lifting
- > High security doors & windows
- > Meets HSE & CDM requirements

Optional solar technology with diesel generator power back-up
