

Well equipped canteen

Solar technology

Separate office area

Generator area / Drying room

# GP0660

SEATS UP TO  
8 + 2 PEOPLE

The **Mobile GP0660 Fusion Pulse** offers all the latest standard features and benefits of the GP0500 but with a larger seating area, accommodating up to 10 people.

The twin axle GP0660 offers the robustness and ease of use of the Groundhog GP0500 with a separate spacious office for managerial/ administration personnel, ideal for rental companies and contractors.

The GP0660 Fusion Pulse mobile welfare unit offers cost savings as the heating is supplied by an on board system which does not require the generator to run. The generator will only be required for microwave, kettle and hot water system.

- Warm water supplied by an on-board heating system
- Air blown heating system
- Secured in less than 3 minutes
- High security doors and windows
- Meets HSE & CDM requirements
- Removable low level lifting eyes
- 12V LED lighting with PIR
- Inverter powered sockets with USB connection
- Powered by roof mounted solar panel with generator back up
