

BESPOKE PRODUCT

Portable Site Accommodation

For full details
on all our ranges
please visit our website at
www.groundhog.co.uk

If you are looking for temporary additional office space the Groundhog **Portable** Site Accommodation units are a great alternative to permanent accommodation.

Bespoke Portable Site Accommodation units

Saving on time and money our office units can be located anywhere in the UK and can be laid and installed on basic foundations, and you have the flexibility of adding additional space, whether it be at ground level or doubled stacked.

Once installed the Groundhog Portable Site Accommodation units can be used immediately, providing a professional, comfortable and safe working environment for offices and canteens.

The Groundhog steel units comply with current regulation requirements.
